

Welcome to the Anne Hutchinson Curriculum Olympics 2016 – 2017

Dear Parents,

In an effort to foster and strengthen our Home/School Partnership, we are inviting parents and students to participate in a series of events focusing on student learning and achievement. Our Curriculum Olympics will feature five events throughout the school year and will include, “Math Night”, “ELA Extravaganza”, “Arts Festival”, “Science Olympiad”, and Field Day. For each Curriculum Olympic event that you attend, you will hand in a ticket that will be tallied. The class that has the most participation will receive a pizza party and the grade level with the most participation will receive an ice cream party with both sponsored by the PTA.

Our first “Olympic” event, “Math Night” will take place on Wednesday, Oct. 19th from 6:30 to 7:50pm and will highlight the GO Math curriculum and demonstrate related games for you to play with your child. We will begin the evening with a brief keynote address in the Auditorium. Following this, you and your child will have the opportunity to attend three ten-minute sessions with teachers in classrooms.

YOU MUST RSVP THE STUDENT NAME, TEACHER NAME AND TOTAL NUMBER OF PEOPLE ATTENDING MATH NIGHT NO LATER THAN THIS WEDNESDAY, OCTOBER 11TH TO LIA FOGLIANO AT LFOGLIANO71@GMAIL.COM. This is so we can secure the proper number of classrooms for this event. Please note that all students must be accompanied by an adult.

I hope that you will join us for as many of the above five Curriculum Olympics events as possible as we look forward to strengthening our partnership and supporting our students’ achievement.

Regards,
Dr. Annette Keane

****PLEASE TEAR OFF THE FORM BELOW AND HAND TO CLASSROOM TEACHER ON MATH NIGHT****
