Our Birthday Book Program

Looking for a way to help celebrate your child's birthday? Donate a book to our library through the Birthday Book Program.

During the month of your child's birthday he/she will be given "the birthday book list" which details books that we would love for your family to donate, in honor of your child's birthday, to the school library. Books are priced at 20% off of the retail cost. You may also view the birthday book list online at <http://ah.eastchesterschools.org/m2/>, the Anne Hutchinson School website. Click on the **Grade Levels** pull down, click on the **Library** link, then click on the **Birthday Books** box.

The books on the list are conveniently located in our library to facilitate your choosing that special book for your child. You are invited to come in with your child before school any day at 8:30, to make your selection together. Please call us at extension 5114 to schedule your visit. If it is difficult for you to come in to choose a book, circle your 1st, 2nd, and 3rd choices on the list and send **CASH** and the list back to the school library with your child. Please mark the envelope **Library-Birthday Book. Please let us know what you would like to include on the bookplate.**

You may use your imagination or use our handy "typical" inscription personalized for your child's information:

Happy 8th Birthday

Donating a book to our library is a wonderful way to show your love of reading, support your school library, and model generosity for your child. We look forward to hearing from you.
